“Grande Maille” used with Stereo Air open mesh panels

Nacre GMR640

Granit GMR980

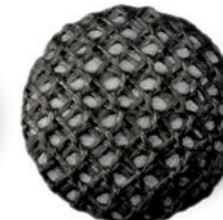

The final appearance of any colour of our Aeria fabric is partially influenced by the base to which it is applied. The presentations above display Stereo, Kora and Vibrasto applications: light colours are applied to a grey base and dark colours are mounted on black bases. Also objects always have light-coloured base materials. Curtains and blinds always have black bases. If you are mixing product families, please contact us.

“Maille Ronde Élargie” used for Velio drapes

Nacre MRE640

Granit MRE980

Taupe MRE680
